

# IF I LIVED IN THE OLD STONE AGE...

Name: \_\_\_\_\_

Cut out the picture rectangles below. Read each sentence. Choose the best picture. Glue it in the rectangle.

This is where I'd live.

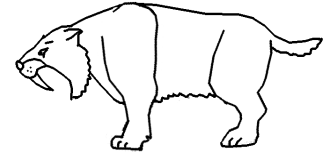

I'd hunt this animal.

The Earth was cold during the Ice Age.

This is what I'd wear.

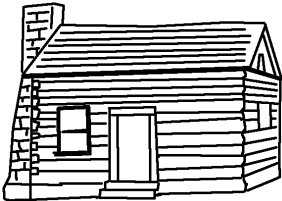

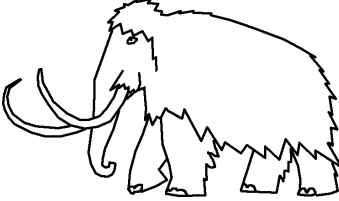

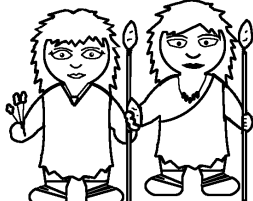

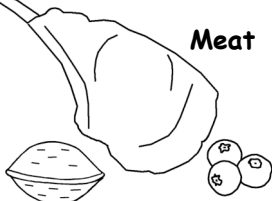

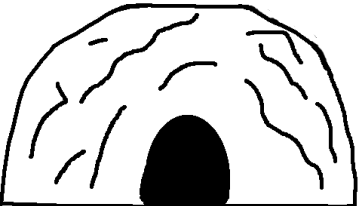

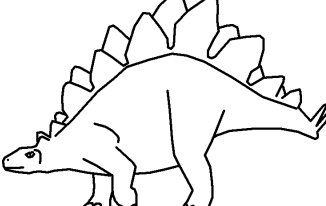

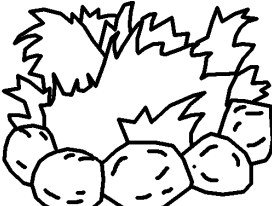

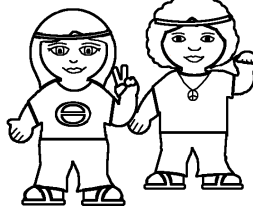

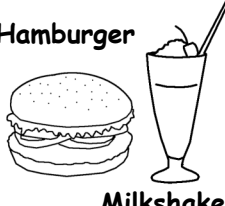

I'd make this to keep warm and to keep animals away.

This is what I'd eat.

# CAVE ART

Name: \_\_\_\_\_

Connect the dots to find out what the artists are painting on this cave wall.

In the Old Stone Age, art was painted on cave walls. The artists used ground minerals mixed with animal fat to make their paints. Paint brushes were made from animal hair. Artists followed the patterns on the rocky wall to create their animal designs.
