

Nests

THIS TEMPLATE MAKES TWO NESTS

You'll need: This pattern (printed on colored paper), scissors, glue stick, (shredded paper, a plastic egg, googly eyes, feather)

*You can decorate with markers before cutting out.

1. Cut out the pattern on the dark solid line.
2. Fold down on the left and right dotted lines. Unfold.
3. Fold in half on the center dotted line.
4. Cut each gray line from the from the center fold to the dotted line.

4. Use a glue stick to draw a line of glue from top to bottom of the right side strip. Attach it to the strip on the left side.
5. Glue the tab. Curve the paper strip into a circle shape. Tuck in the tab and press to hold.

* Fill the nest with shredded paper and a plastic egg. Put 5 pennies or jellybeans in the egg to give it weight. Glue googly eyes and a paper beak to the egg. Put a feather behind it.
