

INSECT BOX

You'll need: This pattern, markers, scissors, paper scraps, glue

1. Decorate the insect box.
2. Cut out the insect box.
(Make sure you cut the slit under each wing and the triangle slits on the left and right flaps.)
3. Fold the box up on each dotted line. Use the triangle slits to connect the flaps. Use the line slits to connect the wings.
4. Cut out the insect body. Fold it in half. Use paper scraps to make legs, antenna, and anything else you want on your insect.
5. Set the body on top of the box.

*Open the box and put a prize inside. Give it to a friend.
