

RENAISSANCE MASK

*Print this page on cardstock paper.

During the Renaissance, masked balls became very popular. Musicians, dancers, and exotic animals would entertain the court.

1. Choose a mask shape.
2. Cut out the mask.
3. Use markers, paper scraps, sequins, feathers, and lace to decorate your mask.
4. Punch out side holes and tie a 20" piece of ribbon through each hole.
