Play the trivia game. Shuffle the trivia cards. Place 4 cards behind each number, face down. Player 1 chooses a point value. Player 2 pulls a card from that number and reads the question. If player 1 answers correctly, he/she gets that amount of points. Players take turns choosing and reading questions until all 20 questions have been read. Add your points.

Use the cards to review information about this time period. Place the cards in the folder pocket with the picture and question showing above the pocket. Read the question. Say the answer. Pull the card to check your answer.
