

ORIGAMI CUP

You'll need: Crayons and scissors

1. Color a design on the square below.
2. Cut out the square on the black line.
3. Fold back on the red line to make a triangle shape.
4. Fold back on each blue line.
5. There are two paper triangles above the green line. Fold one triangle forward. Fold the other triangle to the back. Tuck it into the open flap.

*You can fill your paper cup with water and drink from it. You can also use it as a place card for your next celebration. Make one for each guest. Write their name on the front. Fill it with fun objects like stickers, confetti, candy, a napkin...
